

Curriculum vitae : Markus Gyergyovits

personal information

Nationality: Austria
date of birth: 1976-04-16
place of birth: Hainburg a. d. Donau
e-mail: markus.gyergyovits@univie.ac.at

university

1995 enrolment to course of studies Physics,
Meteorology

SS 2000 1. diploma examination Physics
WS 2003 Inscription lectureship Physics/Mathematik
diploma thesis "Stabilitätsuntersuchung an Trojanerbahnen"
(advisor: emer. o. Univ. Prof. Dr. Herbert Pietschmann)

2005-06-31 final examination in Physics

2005-10-01 enrolment to the doctoral program

2008-10-01 enrolment to course of studies medical physics

symposia

2002-05-15 3rd Austrian Hungarian Workshop on Trojans
and related Topics (Vienna)

2003-09-20 Symposium of the Nato Advanced Study Institute:
Chaotic Worlds: From Order to Disorder in Gravitational n - Body
Dynamical Systems, Cortina d' Ampezzo

2009-09-21 AG-Tagung, Potsdam

Summer School

2008-02-04 - 2008-02-23 Supercomputing and Numerical Techniques in
Astrophysics Fluid Flow Modelling - Erasmus Intensive
Program 2008 | 4 - 23 February - University of Evora

publication

Schwarz,R., Gyergyovits, M., Dvorak, R., 2004
On the Stability of High Inclined L4 and L5
Trojans CeMDA, Volume 90, Issue 1-2, 139
